### To the Reverend Wriothesley Russell Rector of Chenies

We the undersigned inhabitants of the parish of Chenies beg Your Lordship to accept our respectful and hearty congratulations in entering upon the 50th year of your labours as Rector of Chenies. We desire to say how highly we value the earnestness of Your Lordship's spiritual ministrations among us, and to express what a debt of gratitude we give for the deep interest you have for so many years taken in the spiritual and temporal welfare of us all, specially in Your Lordship's liberal help and personal care bestowed so unweariedly on the education of the young and in the great interest you have taken in their after life. With our thanks, we would offer our congratulations to Your Lordship and to Lady Wriothesley Russell on the attainment of your golden wedding. We also wish to express to the members of Your Lordship's family, our grateful thanks for the kind sympathy shewn at all times to the village, and while we present this slight token of our esteem and gratitude, it is our earnest prayer that God may spare Your Lordship and you all to continue the labours you have so long, so lovingly and so successfully undertaken for our spiritual and temporal advancement.
